Presenting a resilient collection of the best looks of travertine, slate, wide-plank oak, and natural cherries — mixed with moderately scaled ceramic tile designs and combined with forward-trending modular, diagonal, and flagstone designs.

These are our best sellers in color and design, styles bursting with mass appeal. The colors are proven to be popular, and many are easy to pattern match. Note the clarity of these floors — their crisp images and realism are outstanding. And the look is kept beautiful by the long-lasting, easy-to-clean polyurethane wear layer.
